**FOR ENQUIRIES PLEASE CALL  
1300 327 473**

*We offer a fast turnaround time on cutting, splicing & fabrication*

**General Description of our Pipe Specifications**

**“ERW”** - Electric Resistance Welded, Longitudinal Weld

**“DSAW”** - Double Submerged Arc Welded (Welded inside & out)

**AS1163/C350** - Structural steel hollow sections, Grade 350

**API5L** - ERW/Spiral Pressure Pipe

**API5LB/C350** - Pressure/Structural pipe (Min. yield strength 350MPA)

**AS1396** - Steel Water Bore Casing

**A252 Grade 2** - Structural Grade Pipe Grade 250

**A252 Grade 3** - Structural Grade Pipe Grade 350

**Uncertified** - Steel Pipe without visible defects no mill certification
